WABC is a conservative Christian camp. We have a very relaxing environment, and yet quite an exciting program for the campers. The facility is small and the staff is compassionate and personable. We feel every child is a brother or sister that we truly love to share and spend time with.

Parents we encourage you to contact your camper via email or snail mail. Please write and mail your letters in advance allowing 4 to 5 days for delivery. You can email your camper through the WABC website at www.mam-wabc.org or info@mam-wabc.org. We will print off your emails to your camper daily and pass them along to your camper. Snail mail should be sent to:

Camp Policies

Concerning Fighting: Physical and verbal fighting is not tolerated! First offense of fighting will receive a warning from the Camp Director, and a possible call to the parents / guardians. Second offense could result in sending home of the camper via the parent / guardian at the parent / guardian expense. Workers sent home due to fighting will not receive a refund for camp fee or pay (if available).

Concerning Homesickness: Camp is a wonderful experience for most people. Sometimes, some experience homesickness during their stay at camp. We encourage the campers to get involved, and often when they do, they forget about missing home. However, occasionally, the camper may persist in calling home. Campers will be allowed to call home only under the Camp Director's supervision. They will make the first contact with you. Parents / guardians are encouraged to persuade their camper to stay for the full time. In the event that the parent / guardian wants to pick up their camper, no refund of unused camp fee will be made. As campers are often homesick after they have spoken with parents, we ask that unless it is an emergency, you not call your camper, nor ask the camper to call you.

Concerning sickness or injury: In the event your camper becomes ill or is injured, either the Camp Nurse or the Camp Director will call you and inform you of the situation. Calls will not come directly from the camper.
