WABC is a conservative Christian camp. We have a very relaxing environment and yet quite an exciting program for the campers. The staff is compassionate and personable and we feel every child is a brother or sister that we truly love to share and spend time with.

Parents we encourage you to contact your camper via email or snail mail. Please write and mail your letters in advance allowing 2 to 3 days for delivery. You can email your camper through the WABC website at camper@mam-wabc.org. We will print off your emails to your camper daily and pass them along to your camper. Snail mail should be sent to: Mid America Mission (child's name)
