Camp Policies

Concerning Fighting: Physical and verbal fighting is not tolerated! First offense of fighting will receive a warning from the Camp Director, and a possible call to the parents / guardians. Second offense could result in sending home of the staff via the parent / guardian at the parent / guardian expense. Staff members sent home due to fighting will not receive a refund for time as Summer staff member.

Leaving without permission: Any staff member or camper that is a minor, leaves the camp ground area without permission, will be turned over to the local authorities as "runaways" and they will be detained by the authorities until parents or guardian are contacted.

Concerning Homesickness of a camper (note to Staff): Camp is a wonderful experience for most people. Sometimes, some experience homesickness during their stay at camp. We encourage the campers to get involved, and often when they do, they forget about missing home. However, occasionally, the camper may persist in calling home. Campers will be allowed to call home only under the Camp Director's supervision. They will make the first contact with you. Parents / guardians are encouraged to persuade their camper to stay for the full time. In the event that the parent / guardian wants to pick up their camper, no refund of unused camp fee will be made. As campers are often homesick after they have spoken with parents, we ask that unless it is an emergency, you not call your camper, nor ask the camper to call you.

Concerning sickness or injury of a camper (note to Staff): In the event your camper becomes ill or is injured, wither the Camp Nurse or the Camp Director will call you and inform you of the situation. Calls will not come directly from the camper.
